Credibility of Elections

Credible elections are conducted competently
at high professional level

Professionalism Through Capacity Building

საარჩევნო პანელითარების სკოლა
2015

 **ცესკო** განვითარება გრძელდება

for Election Administrators at all levels

“Elections and Young Voters” – courses for students of public schools.

“Electoral Development Schools” – two week courses for university students, young professionals and civil society groups.

Election Administrators’ Courses.

Reinforcing Professional Ethics

Members of Central Election
Commission and District Election
Commissions sign Code of Conduct

Transparency

Transparency in the work of the election administration is the key element in shaping the public's trust in our work and the results of elections that we announce

Regular meetings with electoral stake-holders in different formats to discuss topics of mutual interest or concern

Technical Working Group

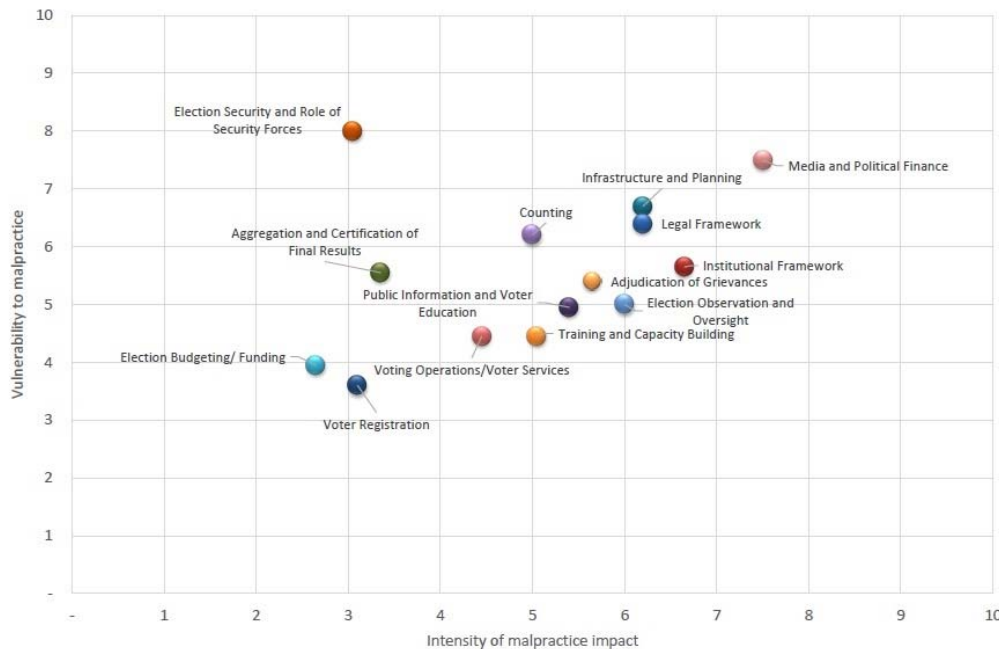

Working Group on Voters
with Disabilities

Working Group on Voters
Belonging to Ethnic
Minorities

Removing Barriers To political Participation of Disadvantaged Groups

- to empower women candidates through trainings and motivate women voters to go to vote;
- inform ethnic minority voters, who lack knowledge of Georgian language, and need to be oriented in their native language;
- reduce impediments for the voters with various forms of disabilities who have special needs in order to enjoy their right to vote;

Electoral Integrity Risk Management Plan

- Systemic Manipulation
- Malpractice
- Fraud
